

Thank you for reading!

Keep an eye out for a paper on this work on ArXiv soon!

My name is Rachel Langgin. I am a second-year PhD student at the University of Nevada, Las Vegas studying Gravitational-Waves with the LIGO Scientific Collaboration.

As a first-generation college and graduate student raised in Las Vegas, my goal is to make science and astrophysics more accessible for future students.

Check out more of my work on my website:
